# Free Movies?!

The holidays may be over, but you can still enjoy movies for free!

Plymouth Public Library became fine free in December 2019. With this change, rental charges for DVDs were also removed.

It is part of our continued effort to better support the community and those in need by removing barriers to accessing community resources.

Check out our huge selection, there is something for everyone!

## FIND YOUR PLACE AT THE LIBRARY

## National Library Week April 19-25th

Celebrate your library and help your community. PPL has previously accepted "Food for Fines" during National Library Week, but we are now a fine-free library!

PPL is challenging the community to **donate 700 canned goods** to be given to local food pantries. That's 100 food items donated a day! Bring non-perishable food items to the library and help us reach our goal.

### National Library Week Events:

- **Monday, February 20th:**
